

# Woodward & Lothrop,

10th, 11th and F Sts. N.W.

Our business hours until further notice are 8:15 a.m. to 5:30 p.m.

## Friday and Saturday Are

### Children's Days,

And special thought is given to the buying and selling of Clothing, Shoes, Hosiery, Furnishings and other necessary Dress Requisites for Boys, Girls and Little Children. We have secured especially for this week's sale a couple of more lots of clothing for dress-up wear and some well-made, well-proportioned, practical garments for school and general knock-about purposes, and shall offer them at absolutely the lowest prices similar grades of goods have ever reached—about half the usual. Parents will appreciate this offer.

## Remnants Every Friday.

The greater the business the more remnants—the more remnants, the smaller the prices. For tomorrow we've scores and hundreds of remnants of every character, kind and condition—perfect, imperfect, fresh and finger marked. Remnants and slow-moving goods are short lived here. No matter what the prices have been, they are marked to sell in a day.

Special attention to Dress Goods—silk, wool and cotton. All the broken lots and short pieces resulting from recent sellings are on special counters on main floor. Some of the most stylish stuffs of the season are included, and among them are Skirt lengths, Dress lengths, Waist lengths and Children's Frock lengths—marked at greatly reduced prices. An important feature for tomorrow will be a bargain lot of

## PERRY'S.

Not reductions—not job lots. But some good, honest quality Table Linens that are really bargains at regular prices.

Not values that we are forced to cheapen to find a sale for them. But the kind that you will be glad to buy because they are full grown worthies. We are not always fortunate enough to be able to quote such prices. But loss—if there is any—is with the makers. They go to you as they come to us—remarkably cheap. Big variety and good enough for anybody's table.
